Angeline Agoncillo

District Accountant
PFM Management Services LLC

Angeline Agoncillo joined PFM in 2025 as a District Accountant, where she handles full-cycle accounting and provides specialized government accounting services for a diverse portfolio of accounts. She has more than a decade of broad accounting experience across multiple industries, including six years of service in a local government as an Accountant.

Angeline holds a Bachelor's degree in Accounting from the Polytechnic University of the Philippines and is dedicated to accuracy, compliance, and effective financial management. Outside of her professional commitments, she enjoys traveling and appreciating nature.
