

## Alexia Pereira

Client Success Manager  
PFM Solutions LLC

Alexia Pereira is a client success manager and currently leads the client success team. Her team helps ensure that all PFM Solutions' clients are able to better analyze the prospective financial ramifications of operating and capital initiatives. Thereby improving stakeholders' ability to engage in quantitatively supported decision-making.

Prior to joining PFM, Alexia was a senior solutions consultant where she was involved in implementing clients onto the Synario platform as well as working on the product development team.
