

Ambria Smith

Analyst

PFM Asset Management LLC

Ambria Smith is an analyst in PFM's Harrisburg office. Ambria started at PFM in June 2016. She is active in both PFM's treasury consulting and asset management businesses.

Ambria works with clients to analyze their existing banking relationship and assists them through the competitive procurement process of selecting new banking service providers. Additionally, she is responsible for investment management performance reporting, cash flow modeling, economic research and the development and analysis of portfolio strategies.

Ambria graduated *magna cum laude* for her bachelor's degree from the University of Pittsburgh.
