

Barry Baughier

Director

PFM Asset Management LLC

Barry Baughier joined PFM in 2009 and is based in the Dallas office. Barry has experience working with local governments throughout Texas, ranging from cities, counties, school districts, universities, colleges, and special districts. He assists his clients in identifying both short term and long-term investment options, while working with client portfolios ranging from \$10 million to over \$1 billion.

Barry has helped structure client's portfolios for bond proceeds investing, operating and reserve funds, and contractual obligations. He also assists clients with cash flow forecasting in order to add value to portfolio performance. He has been a member of the Government Finance Officers' Association of Texas (GFOAT), the Texas Association of School Business Officials (TASBO), and the Government Treasurers' Organization of Texas (GTOT). He has taught PFIA training courses throughout the state with topics ranging from Cash Flow Forecasting to Investment Strategy Implementation.
