

Carol Barbour

Director

PFM Asset Management LLC

Carol joined PFM in 2020 as director of business development for PFM's multi-asset/outsourced chief investment officer (OCIO) solution in the Midwest, based in Chicago. Her focus is on new business development in the Endowments & Foundations, Higher Education and Healthcare markets. In addition, she works with other members of the midwest team on providing multi-asset investment solutions for OPEB trusts and pensions. Carol is also a member of PFM's Endowments and Foundations National Practice Team.

Carol has extensive experience in the multi-asset class OCIO business, having most recently been at Teachers Insurance and Annuity Association of America (TIAA) in their OCIO business. Prior to TIAA, she worked at Commonfund, JPMorgan, a private equity firm and a hedge fund. She has served on several non-profit boards on their investment, development and long-range planning committees. She currently serves on the Family Leadership Council at Denison University.
