

Clay Griffith

Director of Operations
PFM Asset Management LLC

Clayton Griffith joined PFM in 1999, working with the local government investment pools (LGIPs) that PFM manages and administers. Some of Clay's responsibilities include supervising customer service staff, supporting marketing staff, resolving client inquiries, and implementing new procedures and systems for various pool programs.

Prior to joining PFM, Clay served as senior portfolio analyst in the Public Funds Unit of State Street Bank & Trust.
