Analyst

PFM Financial Advisors LLC

Daniel Duggan joined PFM in 2022 and is based in the Minneapolis office. He primarily assists in number modeling, document drafting, and presentation building. His duties include sizing, structuring, and pricing new money and refunding municipal bond issues; performing analysis of refunding opportunities; modeling pooled loan portfolios; creating Excel-based cashflow models; and analyzing project risk for tax increment financing proposals. He supports a variety of state and local issuers, including state-revolving funds, counties, cities, and school districts.

Daniel holds a Master of Public Administration from Syracuse University and a Bachelor of Arts in Politics from Washington and Lee University.
