Verona Griffith

District Accountant
PFM Management Services LLC

Verona Griffith is an experienced accounting professional with over a decade of expertise in public sector finance. At PFM, she manages full-cycle financial operations for both large and small districts, providing leadership in budgeting, forecasting, reconciliation, invoicing and collections, and financial reporting.

She is highly proficient in preparing and reviewing financial statements, managing complex budget portfolios, and coordinating successful audits. Verona works closely with district leadership to deliver strategic, data-driven insights that support informed financial decision-making. She also leads training and system enhancement initiatives to strengthen internal financial practices and build client capacity.

Verona holds an MBA and is a certified member of the Association of Chartered Certified Accountants (ACCA), credentialed in London. Her global perspective, technical expertise, and commitment to financial integrity make her a trusted advisor and a valued member of the PFM team.
