

Jackie Berry

Multi-Asset Class Specialist
PFM Group Consulting LLC

Jackie Berry joined PFM in 2019 when PFM acquired Fishkind and Associates. She works in the Economic Consulting Division of PFM as a GIS Specialist. She will be bringing her GIS knowledge to the company to provide the client with location-based analytics to analyze detailed geographic property databases to conduct market analysis, comprehensive land-use plan analysis, evaluate development trends, and provide forecasting support in a data driven geographic mapping environment. These skills enable the firm to interface with clients and other team consultants, and local government using a common GIS format.

Prior to PFM, Jackie worked at Fishkind and Associates. She began working there in 2004 and transitioned to PFM in March of 2019. At Fishkind, she began her career in GIS in the Economic Consulting Division of the company.
