

Julia Buford

Senior Analyst

PFM Financial Advisors LLC

Julia Buford joined PFM in 2019 and is currently staffed in the San Francisco office. Julia's work includes structuring, sizing and pricing new money and refunding bond issues. Julia is also involved in financial planning, assessing issuers' outstanding debt and analyzing potential refunding opportunities. Clients include transportation agencies as well as state and local governments.

Prior to joining PFM, Julia worked as a senior analyst in the Economics and Advisory group at AECOM, providing financial modeling and strategic planning for various infrastructure projects and public-private partnerships.
