

Kwame Jackson

Assistant District Manager
PFM Group Consulting LLC

Kwame is an accomplished professional with over a decade of experience as a project manager, developing operational and project-related processes that facilitate continual progress, efficiency, and optimal objective achievement. Prior to joining PFM Group Consulting, LLC, Kwame worked across various industries on the island of Jamaica, where he is from, as well as a short time on the island of Barbados. His project management skills were honed through experiences in the airline, hospitality, educational and logistics industries, as well as over a decade as an entrepreneur and business owner.

Kwame has completed certificate courses in Project Management Techniques, People Management and Social Psychology. These courses have further refined his skills in his area of expertise.
