

Logan Dinkla

Analyst

PFM Financial Advisors LLC

Logan joined PFM in May 2018 and is based in the Des Moines office. He provides technical and quantitative support for financial planning and debt issuance for clients in Iowa, Minnesota, Wisconsin and other various states in the Midwest. Logan's present duties include structuring, sizing, and pricing both new money and refunding municipal bond issues, monitoring and assessing municipal issuer's outstanding fixed debt, financial modeling that incorporates clients' capital improvement plans, and performing analysis of refunding opportunities. These analyses have been developed for the issuance of general obligation, limited obligation, and revenue backed bonds, both in taxable and tax-exempt forms.
