

Nicholas Groff

Senior Portfolio Accountant
PFM Asset Management LLC

Nick joined PFM in the summer of 2011 after completing his undergraduate degree in Finance at Pennsylvania State University. He has spent his entire tenure at PFM in the Accounting Department, beginning as an investment accountant for the Pooled funds. In 2013, Nick transitioned to the Separately Managed Accounts side of the Accounting Department where he is currently a senior portfolio accountant. His primary responsibilities include reconciliation of separately managed accounts predominantly in the southern United States, client statement generation and publication, and Schedule D reporting. Nick has also worked with the Multi-Asset Class Management (MACM) group, giving him experience in all sectors of the Accounting Department: Pools, Separately Managed Accounts, MACM and reporting.
