Analyst

PFM Financial Advisors LLC

Rebecca Oblites joined PFM Financial Advisors in 2023 as an analyst in the Texas Practice. Based out of the Austin office, she provides quantitative and technical support to transactions by sizing, modeling, structuring, and pricing municipal bond issues. She currently works with a variety of municipal issuer clients both within Texas and nationally, from cities and counties to school districts and utilities. Her present duties include keeping track of municipal issuer's refinancing opportunities, financial modeling of outstanding debt and debt capacity, monitoring and analyzing issuer credit, preparing presentations and proposals for prospective clients, and supporting senior personnel on various types of transactions. She also has experience with drafting official statements, memorandums, disclosures, and other documents.

Prior to joining PFM, Rebecca graduated from Fordham University with a Bachelor of Arts degree in International Political Economy with concentrations in Global Business and Language.
