

Vishal Sadhasivan, CFA, CAIA

Senior Research Analyst
PFM Asset Management LLC

Vishal Sadhasivan is a senior research analyst within the Multi-Asset Class Management (MACM) Team, where he assists with manager selection and oversight for alternative and fixed-income investments. In his role, Vishal is responsible for the new manager search and due diligence process, as well as the ongoing monitoring of existing managers.

Prior to joining the MACM team, Vishal was a member of PFM's Arbitrage and Tax Compliance Group, where he provided post-issuance tax compliance services for issuers of tax-advantaged bonds.

Vishal graduated from the Pennsylvania State University with a Bachelor of Science degree in Economics. He holds the Chartered Financial Analyst (CFA) and Chartered Alternative Investment Analyst (CAIA) designations.
